

SHOW YOUR BIKE *some love!*

THE BIG BIKE REVIVAL AIMS TO HELP
YOU TO GET BACK ON YOUR BIKE.

- Revive your neglected bike so it is ready to use again.
- Learn how to carry out repairs.
- Access cycle confidence courses
- Receive advice and activities
- Donate unused bikes to start cycling

THE BIG PICTURE

STOCKPORT **CERA CYCLOAN**

Cycling project activities were established here in June 2014 to help educate and inspire communities about the benefits of cycling. Based at Stockport College, the centre provides much needed youth services in the local area. It's one of CTC's Big Bike Revival centres too (see page 10). 'Being a new social venture, we are just starting to get word of our work out there. The CTC Big Bike Revival has really helped us to get on the radar,' said Brian Pendlebury, MD of Cycloan Education & Restorative Approaches (Cera Ltd).
