NEW FOREST
CYCLING WEEK

February is a good time to plan your cycling holiday, if you haven't already. As well as traditional moving-on tours offered by CTC Cycling Holidays (cyclingholidays.org), there are plenty of rallies and fixed-base events. The New Forest Cycling Week celebrated its 40th edition last summer, having been founded in 1975. It attracts around 200 cyclists each year, many of them families. The 2015 rally runs from 24 July to 1 August. For details, see the website of the New Forest Rally CTC Member Group: newforestrallycc.org.uk.
